COMPANY'S PROFILE

West Bengal State Electricity Transmission Company Limited (WBSETCL) is the State Transmission Utility (STU) of West Bengal and presently owns and operates total 157 nos. of Sub-Stations ranging from 66 kV to 400 kV with total installed capacity of 39805.36 MVA. It is the constant endeavour of WBSETCL to ensure grid stability across the State of West Bengal as well as in the Eastern Region of the Nation and have always maintained the system availability of more than 99.91%. In order to provide quality power and stable voltage to each and every corner of West Bengal, WBSETCL has laid transmission line network of 16311 ckm and constantly expanding the same. The Company has also restricted transmission losses to 2.30% during the year 2022-23 which is below the normative limits, as prescribed by the Regulator.

WBSETCL, one of the leading Transmission Utility in the country, strives to become the most reliable and economical power transmission system in the country with the highest system availability, maintaining quality power with minimum technical losses.

Since its incorporation, WBSETCL has been making profit consistently. Its Annual Turnover of Rs. 2079 Crore in the Financial Year 2022-23. It is the recipient of several prestigious awards including the winner of IPPAI Award 2023, the SKOCH Award for 2023 and the PRCI award for Vidyut Barta-2023.

In today's world technology is very dynamic and constantly changing at a lightning speed which is having an immense impact on Power Transmission Utilities. Therefore, in order to maintain its existing position amongst the STU across the nation and to thrive for future growth, the Company takes every necessary measure to abreast itself with latest available technology to fulfil its envisioned goal. Operational excellence is achieved through adoption of "state-of-the-art" operation and maintenance techniques, including proactive and preventive breakdown maintenance which includes modern technique of condition monitoring which are at par with international standards. The Company offers professional work environment with modern technology & system. The Company is in the process of modernizing and updating its activities with IT enabled services.

WBSETCL is setting a new benchmark for itself by keeping the standards high towards achievement of the goals and working hard so as to stand and keep up the expectations towards fulfilment of the commitments of not only 'Transmitting Power' but also 'Transmitting Happiness'.
